Notes:

1. Pursuant to the General Circular No. 03/2025 dated 22 September 2025 issued by the Ministry of Corporate Affairs ("MCA") and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated 03 October 2024 issued by Securities and Exchange Board of India ("SEBI") (hereinafter collectively referred to as "the Circulars"), companies are permitted to hold the General Meetings through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the aforesaid Circulars, the Annual General Meeting ("AGM") of the Members of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. The VC / OAVM facility for Members to join the meeting, shall be kept open thirty (30) minutes before the start of the AGM and shall be closed on expiry of fifteen (15) minutes after closure of the AGM. Members can attend the AGM through VC / OAVM by following the instructions mentioned in this Notice.
3. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Listing Regulations as amended, read with the applicable circulars as aforesaid, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as voting during the AGM will be provided by NSDL.
4. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the aforesaid Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. As per Regulation 40 of the Listing Regulations, the securities of listed entities can be transferred only in dematerialized form with effect from, 01 April 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Bigshare Services Private Limited, Hyderabad - 500082, email: amarendranath.r@bigshareonline.com for assistance in this regard.

6. To promote green initiative, Members who have not registered their email addresses are requested to register the same with their Depository Participants in case the shares are held by them in electronic form and with Bigshare Services Private Limited, in case the shares are held in physical form.
7. The SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSDPoD1/P/CIR/2023/37 dated 16 March 2023 (subsumed as part of the SEBI Master Circular No. SEBI/HO/ MIRSD/POD-1/P/CIR/2024/37 dated 7 May 2024), in supersession of the earlier Circular(s), has prescribed common and simplified norms for processing investor service requests by RTAs and norms for furnishing PAN, KYC (contact details, bank details and specimen signature), and nomination details.
8. As per the said Circular, it is mandatory for the shareholders holding securities in physical form to, inter alia, furnish PAN, KYC, and nomination details. Physical folios wherein the said details are not available would be eligible for lodging grievance or any service request only after registering the required details. Any payments including dividend in respect of such folios shall only be made electronically with effect from 01 April 2024 upon registering the required details.
9. The Company has sent individual letters to all the members holding shares of the Company in physical form for furnishing their PAN, KYC, and nomination details. Accordingly, the members are advised to register their details with the RTA or DPs, in compliance with the aforesaid SEBI guidelines for smooth processing of their service requests and trading without any hindrance.
10. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Friday, 28 August 2026 through email on vamshi@gurbanigroup.in. The same will be replied by the Company appropriately.
11. Members are requested to note that, dividends if not encashed for a consecutive period of seven (7) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/ shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in Form IEPF-5 in web mode available on www.iepf.gov.in.
12. In compliance with the aforesaid circulars, Notice of the AGM along with the Annual Report for the financial year 2025-26 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice of the AGM and the Annual Report for the financial year 2025-26 will

also be available on the Company's website at www.gurbanigroup.in, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com respectively and NSDL at www.e-voting.nsdl.com. Members whose email IDs are not registered with the Company / Depositories are requested to follow the process provided for registration of email IDs with the depositories for procuring user ID and password and registration of email IDs for e-voting for the resolutions set out in this Notice.

13. Since the AGM will be held through VC / OAVM, the route map of the venue of the meeting is not annexed hereto.

IN COMPLIANCE WITH SECTION 102 OF THE COMPANIES ACT, 2013, THE FOLLOWING EXPLANATORY STATEMENT IS ANNEXED TO PROVIDE THE SHAREHOLDERS WITH MATERIAL FACTS AND RELEVANT INFORMATION REGARDING THE ITEMS OF SPECIAL BUSINESS TO BE TRANSACTED AT THE THIRTY-FIFTH (35TH) ANNUAL GENERAL MEETING OF THE COMPANY

Item No. 3: To Approve Revision in the Remuneration Payable to Vishal Ratan Gurbani, Whole-Time Director of the Company

The Board of Directors, at its meeting held on 05 August 2026, upon the recommendation of the Nomination and Remuneration Committee (“**NRC**”), approved the proposal for revision in the remuneration payable to Vishal Ratan Gurbani, Whole-Time Director of the Company, subject to the approval of the Members.

Vishal Ratan Gurbani was appointed as the Whole-Time Director of the Company for a term commencing from 01 May 2023 and ending on 21 August 2027. The present proposal does not relate to his appointment, re-appointment, extension of tenure or alteration of designation. The proposal is confined to revision of remuneration for the balance of his existing term.

The remuneration presently payable to Vishal Ratan Gurbani is INR 18,00,000 (Indian Rupees Eighteen Lakhs) only per annum. Having regard to the expansion in the scale and complexity of the Company's operations, the significant increase in his executive responsibilities, the need for continuity of executive leadership, succession planning considerations and the recommendation of the NRC after evaluation in accordance with the Company's Nomination and Remuneration Policy, the Board considered it appropriate to revise his remuneration to INR 60,00,000 (Indian Rupees Sixty Lakhs) only per annum with effect from 01 April 2026, on the terms and conditions as set out below:

Monthly Remuneration

Sl. No.	Component	Amount (INR)
1.	Basic Salary	2,50,000
2.	Dearness Allowance	20,000
3.	House Rent Allowance	1,00,000
4.	Conveyance Allowance	30,000
5.	Medical Allowance	2,500
6.	Leave Travel Allowance	30,000
7.	Miscellaneous Allowance	67,500
	Total	5,00,000

In considering the proposed revision, the NRC and the Board took into account, inter alia, the enhanced responsibilities assumed by Vishal Ratan Gurbani as Head of Business Development, including leadership of domestic and international business development initiatives, his extensive overseas travel for business development and strengthening the Company's business presence, the additional responsibilities undertaken by him in overseeing the Company's technical functions as Technical Head, and his leadership in handling new projects for the

Company's expansion in India as well as the establishment of new business operations overseas. The NRC and the Board also considered his direct involvement in the Company's strategic planning through engagement with key clients, business partners and investors, his qualifications, experience and overall contribution to the management and operations of the Company, the present and anticipated business requirements of the Company, its financial position and future growth plans, the principles of pay equity, and executive retention, remuneration practices for executive directors in comparable companies, to the extent considered relevant by the NRC, and the Company's Nomination and Remuneration Policy.

The Secretarial and Legal Department has examined the proposal with reference to Sections 196, 197 and 198 of the Companies Act, 2013, Schedule V thereto, the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and the applicable provisions of the Listing Regulations. For the purposes of Section 197 of the Act, the Company has prepared a computation of net profits under Section 198 of the Act, which was placed before the NRC and the Board. The computation forms part of the Company's statutory secretarial records and has been reviewed in consultation with the management and considered by the Board. The Board has relied upon such computation while considering the present proposal. The Board also notes that Vishal Ratan Gurbani is not classified as a Promoter or a member of the Promoter Group under the applicable SEBI Regulations. Consequently, the enhanced voting requirements under Regulation 17(6)(e) of the Listing Regulations are not attracted. The Board further notes that the proposal constitutes a variation in the remuneration terms of an existing appointment and does not amount to a fresh appointment or re-appointment of Vishal Ratan Gurbani as Whole-time Director.

The Board is of the opinion that the proposed revision is fair, reasonable, commercially justified and in the best interests of the Company. It also considers that the proposed remuneration is necessary for retention of executive leadership and for the continued implementation of the Company's long-term strategic objectives.

Except for Vishal Ratan Gurbani, being the appointee, and to the extent of their respective interests under the Companies Act, none of the Directors and Key Managerial Personnel of the Company are in any way interested or concerned, financial or otherwise, in the resolution, except to the extent of their shareholding in the Company, if any. The proposed resolution does not affect any other Director or Key Managerial Personnel of the Company.

The Board of Directors recommends the resolution as set out in item above for approval of the Members of the Company by way of a Special Resolution.

BOARD'S REPORT

To
The Members of
Sampre Nutritions Limited

The Board of Directors ("Board") have pleasure in presenting the Thirty-Fifth (35th) Annual Report on the business and operations of Sampre Nutritions Limited ("the Company") together with the audited standalone and consolidated financial statements for the financial period ended 31 March 2026.

BUSINESS, AND FINANCIAL POSITION AND CORPORATE STRUCTURE

1. State of Affairs

The Company is engaged in the business of manufacturing, producing, and processing a wide range of food, beverage, healthcare, and personal care products, including soft drinks, confectioneries, cosmetics, and therapeutic items. It operates as a distributor, stockist, and liaison for these products both in India and internationally, representing various manufacturers and importers. The company also acquires scientific know-how, undertakes turnkey projects and collaborations to set up similar industries, and fabricates essential machinery and equipment to support its manufacturing activities.

The financial year under review was characterised by a resilient domestic economy amidst an evolving global macroeconomic environment. India's economy continued to demonstrate broad-based strength, supported by sustained domestic consumption, public capital expenditure, resilient services activity and improving manufacturing performance. At the same time, businesses continued to operate against a backdrop of geopolitical developments, global trade realignments, supply chain adjustments and fluctuations in commodity prices, requiring continued operational discipline and prudent financial management. The Reserve Bank of India projected real GDP growth of 6.5% for FY 2025-26 while noting that external uncertainties remained elevated.

The confectionery and food processing industry continued to benefit from favourable long-term consumption trends driven by urbanisation, rising disposable incomes, changing consumer preferences and increasing demand for innovative and value-oriented products. At the same time, the industry remained exposed to volatility in raw material prices, evolving regulatory requirements, logistics costs and global trade developments, which continued to influence operating margins across the sector.

Against this backdrop, the Company continued to focus on strengthening its operational capabilities, improving financial discipline and enhancing organisational efficiency. During the year, the management remained focused on prudent deployment of resources, optimisation of working capital, disciplined cost management and strengthening the Company's long-term business fundamentals. The Board continues to monitor the Company's financial position closely while pursuing measures aimed at improving operational performance and creating sustainable long-term value for all stakeholders.

The Board believes that the Company's long-term growth prospects remain encouraging. The management continues to focus on product development, market expansion, operational excellence, sound corporate governance and effective risk management. These initiatives, together with a disciplined approach towards capital allocation and business development, are expected to strengthen the Company's competitive position and support sustainable growth over the medium to long term.

There has been no change in the business of the Company during the financial year ended 31 March 2026.

2. Financial Summary

MANAGEMENT DISCUSSION AND ANALYSIS

This Management Discussion and Analysis report provides an in-depth review of Sampre Nutritions Limited's ("the Company") performance, strategic initiatives, and market positioning for the fiscal year 2025-26. This report addresses key aspects of our operating environment, including the prevailing macroeconomic conditions, industry dynamics, and business performance metrics.

Indian Economy

The Indian economy continued to demonstrate resilience during the financial year 2025-26 despite heightened geopolitical uncertainties, evolving global trade dynamics and volatility in commodity prices. Strong domestic consumption, continued public investment in infrastructure, improving manufacturing activity and a resilient services sector supported economic growth during the year. Inflation remained broadly within the Reserve Bank of India's target range for a significant part of the year, supported by easing food prices and prudent monetary policy.

Looking ahead, India's medium-term growth prospects remain favourable, supported by favourable demographics, digital transformation, expanding infrastructure, manufacturing initiatives and policy reforms. Nevertheless, global trade developments, commodity price volatility, exchange rate movements and geopolitical uncertainties continue to pose risks to the overall economic outlook.

Industry Structure and Developments

The Indian confectionery industry continues to be one of the significant segments of the fast-moving consumer goods sector, supported by favourable demographics, rising disposable incomes, urbanisation and changing consumer preferences. The industry comprises chocolate confectionery, sugar confectionery, chewing gum, functional confectionery and other value-added product categories.

Consumer preferences continue to evolve towards premium offerings, innovative flavours, healthier alternatives and convenience-based consumption. At the same time, value-priced products continue to account for a significant portion of industry volumes, particularly in semi-urban and rural markets.

The industry continued to face challenges arising from fluctuations in prices of key raw materials such as cocoa, sugar, edible oils and packaging materials, together with increasing logistics costs and evolving food safety and labelling requirements. Competitive intensity remained high with established multinational manufacturers, organised domestic players and regional brands continuing to compete across product categories.

Opportunities and Threats

The Indian confectionery industry continues to offer significant growth opportunities driven by favourable demographic trends, increasing urbanisation, rising disposable incomes and changing consumer preferences. Growing penetration of organised retail, e-commerce and quick-commerce platforms has expanded consumer access to confectionery products across both metropolitan and emerging markets.

Consumers are increasingly seeking product innovation, premium offerings, healthier alternatives and value-added confectionery products. These evolving consumption patterns provide opportunities for companies to diversify their product portfolio, strengthen brand positioning and enhance customer engagement.

The Company continues to focus on improving operational efficiencies, strengthening its product portfolio, optimising manufacturing capabilities and identifying opportunities for sustainable long-term growth while maintaining financial discipline.

The confectionery industry continues to face challenges arising from volatility in prices of key raw materials, including sugar, cocoa, edible oils and packaging materials, which may adversely impact operating margins. Inflationary pressures, changes in consumer spending patterns, evolving regulatory requirements relating to food safety, labelling and packaging, and intense competition from multinational as well as domestic manufacturers continue to influence the operating environment.

Further, geopolitical developments, global supply chain disruptions, fluctuations in foreign exchange rates and changes in international trade policies may have an indirect impact on input costs and overall business operations. The Company continuously monitors these risks and adopts appropriate mitigation measures through prudent procurement practices, efficient inventory management and disciplined financial planning.

Product Performance

During the financial year under review, the Company continued to focus on strengthening its presence in the confectionery segment through its existing product portfolio while pursuing operational efficiencies and prudent cost management. Management remained focused on improving production efficiencies, optimising product mix and maintaining quality standards to meet evolving customer requirements.

The Company continues to evaluate opportunities for expanding its product offerings and strengthening market presence while maintaining a balanced approach towards cost optimisation, quality assurance and sustainable business growth.

Outlook

The long-term outlook for the Indian confectionery industry remains positive, supported by favourable demographic trends, rising disposable incomes, increasing consumption, expanding organised retail and continued growth of digital commerce channels.

The Company's strategic focus remains on strengthening operational efficiency, improving working capital management, optimising manufacturing operations, maintaining financial discipline and enhancing customer satisfaction. The Company will continue to evaluate opportunities for product innovation, market expansion and operational improvements while maintaining a prudent approach towards capital allocation and risk management.

Management remains committed to creating sustainable long-term value for all stakeholders through responsible corporate governance, disciplined execution and continuous improvement across business operations.

Risks and Concerns

The Company operates in a competitive business environment and is exposed to various business risks, including fluctuations in raw material prices, changes in consumer preferences, evolving regulatory requirements, macroeconomic uncertainties and competitive pressures.

The Company has established appropriate systems for identifying, monitoring and mitigating key business risks. Regular reviews are undertaken by the management and the Board to evaluate the effectiveness of risk mitigation measures and to ensure that significant business risks are addressed in a timely manner.

The Company continues to strengthen its internal processes, operational controls and governance framework to minimise the impact of business uncertainties and to support sustainable business operations.

Internal Control Systems and their Adequacy

The Company has established an adequate system of internal controls commensurate with the nature, size and complexity of its business operations. The internal control framework is designed to ensure the orderly and efficient conduct of business, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

The effectiveness of the internal control systems is reviewed periodically by the management, Internal Auditors and the Audit Committee. The observations arising from internal audits are reviewed by the Audit Committee, and corrective actions are implemented wherever considered necessary.

The Statutory Auditors also evaluate the adequacy of internal financial controls over financial reporting as part of their audit. Based on such reviews, the Board is of the opinion that the Company's internal control systems are adequate and operating effectively.

Discussion on Financial Performance

During the financial year under review, the Company's financial performance reflected the impact of prevailing market conditions, input cost fluctuations and the overall operating environment. Management continued to focus on improving operational efficiency, optimising costs and maintaining financial discipline while pursuing sustainable long-term growth.

During the year, the Company undertook significant capital restructuring initiatives, including conversion of Convertible Warrants and Foreign Currency Convertible Bonds into equity shares, subdivision of equity shares and issue of bonus equity shares. These measures strengthened the Company's capital base, improved its capital structure and supported its long-term growth strategy.

The Company continued its focus on prudent working capital management, efficient utilisation of resources and optimisation of borrowing levels. Management remains committed to improving operating performance through better capacity utilisation, disciplined cost management, enhanced operational efficiencies and strengthening of internal processes.

The financial statements provide a detailed analysis of the Company's financial performance, cash flows and financial position for the financial year ended 31 March 2026.

Material Developments in Human Resources and Industrial Relations

The Company's employees continue to be its most valuable resource and play a vital role in achieving its strategic objectives. The Company remains committed to providing a safe, inclusive and performance-oriented work environment that encourages continuous learning, professional development and employee engagement.

The Company continues to invest in employee development through various training initiatives aimed at improving technical capabilities, operational efficiency, quality awareness, safety standards and leadership skills.

Industrial relations during the financial year remained cordial and harmonious. There were no material industrial disputes or work stoppages during the year under review. The Company continues to maintain constructive relationships with its employees and remains committed to promoting a culture of integrity, teamwork, accountability and mutual respect.

Key Financial Ratios

The financial year 2025-26 was characterised by a challenging operating environment, which impacted the Company's profitability during the year. The Company continued to focus on strengthening its capital structure through reduction in borrowings, prudent working capital management and efficient utilisation of resources. While profitability remained under pressure during the year, the Company's balance sheet was strengthened through capital restructuring initiatives, positioning it for sustainable long-term growth.

Sl. No.	Particulars of Financial Ratios	Current Year	Previous Year	YoY Change
1.	Current Ratio (times)	1.60	1.20	40.90%
2.	Debt-Equity Ratio (times)	0.20	0.20	(2.20%)
3.	Debt Service Coverage Ratio (times)	2.30	(1.00)	(333.20%)
4.	Return on Equity (%)	4.00	(12.70)	(131.60%)
5.	Inventory Turnover Ratio (times)	6.50	3.80	72.40%
6.	Trade Receivables Turnover Ratio (times)	3.90	3.20	21.40%
7.	Trade Payables Turnover Ratio (times)	3.30	2.00	70.30%
8.	Net Capital Turnover Ratio (times)	4.90	12.20	(59.70%)
9.	Net Profit Ratio (%)	8.90	(29.10)	(130.70%)
10.	Return on Capital Employed (%)	3.30	(5.30)	(162.00%)

Pursuant to Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, explanations are provided only for those financial ratios where the change is 25% or more compared to the previous financial year.

- **Current Ratio:** The Current Ratio improved from 1.20 times to 1.60 times during the financial year, indicating an improvement in the Company's short-term liquidity position and its ability to meet its current obligations through its current assets.
- **Debt Service Coverage Ratio:** The Debt Service Coverage Ratio improved significantly from (1.00) times to 2.30 times, reflecting an improvement in the Company's ability to generate sufficient earnings and cash flows to meet its debt servicing obligations during the financial year.
- **Return on Equity:** Return on Equity improved from (12.70%) to 4.00%, primarily reflecting the improvement in the Company's profitability during the financial year. The positive return indicates that the Company generated a positive return on the shareholders' funds during the year as compared to the negative return in the previous year.
- **Inventory Turnover Ratio:** The Inventory Turnover Ratio improved from 3.80 times to 6.50 times, indicating more efficient utilisation and faster movement of inventory during the financial year. The improvement reflects better inventory management and utilisation of working capital in the Company's operations.
- **Trade Payables Turnover Ratio:** The Trade Payables Turnover Ratio increased from 2.00 times to 3.30 times during the financial year, indicating a higher rate of turnover of trade payables during the year and reflecting changes in the Company's procurement and payment cycle.

- **Net Capital Turnover Ratio:** The Net Capital Turnover Ratio declined from 12.20 times to 4.90 times during the financial year. The decline indicates that the Company's revenue generated per unit of net working capital was lower than in the previous year, reflecting a relatively higher level of net working capital deployed in the business during the year.
- **Net Profit Ratio:** The Net Profit Ratio improved significantly from (29.10%) to 8.90%, reflecting a substantial improvement in the Company's overall profitability. The positive ratio indicates that the Company generated a net profit during the financial year as compared to a net loss in the previous year.
- **Return on Capital Employed:** Return on Capital Employed improved from (5.30%) to 3.30%, primarily reflecting the improvement in the Company's operating profitability during the financial year. The positive return indicates that the Company generated positive returns on the capital employed during the year as compared to the negative return in the previous year.

Overall, the financial ratios reflect a significant improvement in the Company's financial performance during the financial year 2025-26. The improvement in liquidity, debt servicing capacity, inventory utilisation and profitability indicators indicates strengthening of the Company's operating and financial position. While the decline in the Net Capital Turnover Ratio indicates comparatively higher deployment of net working capital in relation to revenue, the overall movement in the key financial ratios reflects improved profitability and financial stability during the year. The Management remains focused on strengthening operational efficiencies, optimising working capital, maintaining prudent financial management and improving sustainable returns for the Company's stakeholders.

Opinion

We have audited the accompanying standalone financial statements of **SAMPRE NUTRITIONS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to financial statements and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including annexures to Board's report, Report on Corporate Governance, Business responsibility and Sustainability report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid or provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigation on its financial position in its standalone financial statements – Refer Note 27 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. No dividend has been declared / paid during the year. Accordingly, the provisions of section 123 of the Act are not applicable.

- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **M/s.SAMPRE NUTRITIONS LIMITED** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls with Reference to Financial Statements

The Company’s management and Board of Directors is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly

reflect the transactions and dispositions of the assets of the company;(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company’s property, plant and equipment, right-of-use assets and intangible assets:
 - (a)
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets.
 - (B) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any intangible assets. Hence reporting under clause 3(i)(a)(B) of the Order is not applicable.
 - (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, it has a program of physical verification of property, plant and equipment and right-of-use assets so to cover all the assets once in a year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, property, plant and equipment and right-of-use assets were due for verification during the year and were physically verified by the Management during the year and no material discrepancies were noticed on such verification.
 - (c) According to the information and explanation given to us and on the basis of our examination of the registered sale deed provided to us, we report that, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work in progress are held in the name of the Company as at the balance sheet date.
 - (d) According to the information and explanation given to us and on the basis of our examination, the Company has not revalued any of its property, plant and equipment (including right of-use assets) and intangible assets during the year.
 - (e) According to the information and explanation given to us and on the basis of our examination of the records of the company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedures of such verification by Management is appropriate. In respect of inventories of stores and spares, the Management has appropriate verification programme designed to cover all the items. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
 - (b) The Company has been sanctioned working capital limits in extent of INR 4.65 Crore, in aggregate, from banks on the basis of security of current assets, Since such limits do not exceed Rs.5 crore at any point during the year, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.”

- iii. During the year, the Company has provided loans or advances in the nature of loans to its wholly owned subsidiary. The aggregate amount provided during the year and the balance outstanding as at March 31, 2026 were Rs. 74.7 lakhs and Rs. 385.67 lakhs respectively.
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The Company has accepted an amount of Rs. 80.57 lakhs from a relative of a director, which is deemed to be a deposit.
- vi. The Central government does not prescribe maintenance of cost records under section 148(1) of the Companies Act.
- vii.
 - (a) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and based on our examination of the records of the Company, the following statutory dues have not been deposited as at March 31, 2026 on account of a dispute:

Name of statute: Central Excise Act, 1944

Nature of dues: Central Excise demand

Amount: Rs.10,70,000

Period to which the amount relates: FY 2010-11

Forum where the dispute is pending: CESTAT, Hyderabad

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - (a) According to the information and explanation given to us, as also on the basis of the books and records examined by us, the Company has not defaulted in repayment of dues to financial institutions or banks or any lenders. The Company has not taken any loan or borrowing from Government and has not issued any debentures during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) According to the information and explanation given to us and on the basis of the books and records examined by us, the term loans taken during the year have been applied for the purpose for which those were obtained.
 - (d) According to the information and explanation given to us and on an overall examination of the financial statements of the Company, we report that funds raised on short term basis have not been utilised for long term purposes.

- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

x.

- (a) During the year, the Company has not raised any moneys by way of initial public offer or further public offer, including debt instruments. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company allotted equity shares upon conversion of convertible warrants and Foreign Currency Convertible Bonds. Based on our examination of the records of the Company and according to the information and explanations given to us, the requirements of sections 42 and 62 of the Companies Act, 2013 have been complied with in respect of such allotments and the funds raised, where applicable, have been used for the purposes for which they were raised.

xi.

- (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under subsection (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the management, there were no whistle blower complaints received by the company during the year.

xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

xiv.

- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi.

- (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- xvii. The Company has incurred cash losses during the financial year covered by our audit.
- xvii The Company has not incurred cash losses during the financial year covered by our audit. The Company incurred cash losses of Rs. 533.89 lakhs in the immediately preceding financial year.
- xviii There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx.
- (a) The provisions of section 135 of the Companies Act, 2013 are not applicable to the Company for the year. Accordingly, reporting under clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company
- xxi. The requirements of clause 3(xxi) of the order is not applicable to the standalone financial statements.

SAMPRE NUTRITIONS LIMITED

Notes to financial statements for the year ended 31st, March, 2026

1 Company Overview and Significant Accounting Policies:

a) Company Overview

Sampre Nutritions Ltd' (the company) is a public limited company incorporated under the provisions of the Companies Act applicable in India. The Company's shares are listed on Bombay Stock Exchange. The Company is into the activity of manufacturing of Sugar Candies. The principal place of business is situated at 133, TSIC Industrial Estate, Medchal-500401, Medchal Malkajgiri Dist, Telangana.

b) Basis of preparation of Financials Statements

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the Rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time). The standalone financial statements have been prepared on the historical cost basis, except for the following assets and liabilities which have been measured at fair value

Certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments). The standalone financial statements are presented in INR (Rupees in Lakhs)

2A Significant Accounting Policies

a) Property, Plant and Equipment & Depreciation

i) Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.

Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant part of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognised from financial statement, either on disposal or when no economic benefits are expected from its use or disposal. The gain or loss arising from disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment recognised in the statement of profit and loss account in the year of occurrence.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

iii) Depreciation

Depreciation amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on assets has been provided on Straight line basis at the useful lives specified in the

Schedule II of the Companies Act, 2013. Depreciation on additions / deductions is calculated pro-rata from / to the month of additions / deductions.

Assets costing less than INR 5,000/- are depreciated at 100% in the year of acquisition.

f) Revenue recognition

Revenue from contracts with customers is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. When a performance obligation is satisfied, the revenue is measured at the transaction price which is consideration received or receivable, net of returns and allowances, trade discounts and volume rebates after taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company derives revenues primarily from manufacture and sale of “Sugar Candies”.

Interest income: Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

g) Inventories

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost, calculated on weighted average basis, and net realizable value. Cost of raw materials and stores comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Items held for use in the production of inventory are not written below cost if the finished product in which these will be incorporated are expected to be sold at or above cost.

h) Foreign Currencies

Functional currency: The functional currency of the Company is the Indian rupee.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

i) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in

equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

j) **Impairment of Assets**

Non Financial Assets : The carrying value of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve for that asset.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

Financial assets: The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

k) **Provisions and Contingent Liabilities**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be

required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the Financial Statements.

I) Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(a) Financial assets

Cash and cash equivalents For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade Receivables and Loans: Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments: Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Equity Instruments: All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

(b) Financial assets– Subsequent measurement

Financial assets at amortised cost: Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(c) Financial liabilities

Loans and borrowings: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost on accrual basis.

Financial guarantee contracts: Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

(d) Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, carrying amounts approximate the fair value due to the short maturity of these instruments.

(e) Derecognition

The Company de-recognizes a financial assets when the contractual rights to the cash flows from the financial asset expires or it transfers the financial assets and the transfer qualifies for derecognition under Indian Accounting Standard 109 "Financial Instruments". A financial liability (or a part of financial liability) is de-recognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(f) Offsetting of financial instruments

Financial assets and financial liabilities are offsetted and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

m) Earnings Per Share

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2B Critical accounting judgments and key sources of estimation uncertainty

- a The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and

the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Although these estimates are based upon management's best knowledge of current events, actual results may differ from these estimates under different assumptions and conditions.

- b** The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.
- c Critical Judgements** In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:
- d Key sources of estimation uncertainty** : The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:
- e Key sources of estimation uncertainty** : The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:
- f Income taxes:** The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.
- g Operating Cycle and Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division-II of Schedule III of the Companies Act, 2013.

An asset is treated as current when (a) It is expected to be realised or intended to be sold or consumed in normal operating cycle; (b) It is held primarily for the purpose of trading; or (c) It is expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3 Recent Accounting Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Ind AS 21 - The Effects of Changes in Foreign Exchange Rates: In May 2025, MCA notified amendments to Ind AS 21 -

The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements. In August 2025, MCA notified the following amendments to:

- a Ind AS 1, Presentation of Financial Statements**, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- b Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments:** Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
- c Ind AS 12, International Tax Reform – Pillar Two Model Rules** applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements

36.2 Financial risk management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Market risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates and changes in interest rates. There have been no changes to the Company's exposure to market risk or the manner in which it manages and measures the risk in recent past.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings and bank deposits.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates is limited as the Company has only fixed deposit with bank.

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's Financial Liabilities. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

b. Credit risk

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

In many cases an appropriate advance or letter of credit / bank guarantee is taken from the customers to cover the risk. In other cases credit limit is granted to customer after assessing the credit worthiness based on the information supplied by credit rating agencies, publicly available financial information or its own past trading records and trends.

At March 31, 2026, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c. Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities for the Company. The Company has established an appropriate liquidity risk management framework for its short-term, medium term and long-term funding requirement.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(Rs. In lakh)

Particulars	Carrying Value	Less than 1year	1-5 years	> 5 years
March 31, 2026				
Borrowings	1791.01	132.58	1658.43	-
Trade and other payables	550.46	550.46		-
Other financial liabilities	332.64	332.64		-
March 31, 2025				
Borrowings	1,690.40	631.95	1,058.46	-
Trade and other payables	456.03	456.03	-	-
Other financial liabilities	229.50	229.50	-	-

37. Fair Value measurement

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

A. Financial instruments by category

The carrying value and fair value of financial instruments by categories as at March 31, 2026 were as follows:

INDEPENDENT AUDITOR'S REPORT

To The Members of

M/s. SAMPRE NUTRITIONS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of M/s. SAMPRE NUTRITIONS LIMITED (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, its consolidated profit including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section of our report is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including annexures to Board's report, Report on Corporate Governance, Business responsibility and Sustainability report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors or managements of the entities included in the Group are responsible for maintenance of adequate accounting records, safeguarding of assets, prevention and detection of frauds and other irregularities, selection and application of appropriate accounting policies, reasonable and prudent estimates, and the design, implementation and maintenance of adequate internal financial controls relevant to the financial information used for preparation of the consolidated financial statements. The respective Boards of Directors or managements are responsible for assessing the ability of the respective entities to continue as a going concern and for the related disclosures. The Holding Company's Board of Directors is also responsible for overseeing the Group's financial reporting process.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The holding Company's Board of Directors are also responsible for overseeing the group's financial reporting process.

Emphasis of Matter paragraph

There are no matters to be included in the **Emphasis of Matter paragraph**.

Auditor's Responsibility for the Audit of the consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the respective managements' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group or any material component to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group or a component to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the two subsidiaries whose financial statements reflect aggregate total assets of Rs. 8,353.21 lakhs as at March 31, 2026, aggregate total revenues of Rs. Nil and aggregate net cash flows amounting to Rs. 15 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below are not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the group.

iv.

- (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Holding Company has neither declared nor paid any dividend during the year.

vi. Based on our examination, which included test checks, the Holding Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail or edit log facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, and the audit trail has been preserved by the Holding Company as per the statutory requirements for record retention.

2. With respect to the matters specified in clause 3(xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020, according to the information and explanations given to us and based on the CARO report issued by us in respect of the Holding Company, to which reporting under the Order is applicable, we report that there are no qualifications or adverse remarks in that CARO report.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of M/s.SAMPRENUTRITIONS LIMITED (“the Holding Company”) as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date. The subsidiaries included in the consolidated financial statements are incorporated outside India and are not covered by the reporting requirement under section 143(3)(i) of the Companies Act, 2013.

Managements and Board of Directors’ Responsibility for Internal Financial Controls

The Holding Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control criteria established by the Holding Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, adequate internal financial controls with reference to financial statements, and such internal financial controls were operating effectively as at March 31, 2026, based on the internal control criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

SAMPRE NUTRITIONS LIMITED

Notes to financial statements for the year ended 31st, March, 2026

1 Company Overview and Significant Accounting Policies:

a) Company Overview

"The consolidated financial statements comprise financial statements of Sampre Nutritions Limited (the 'Company') and its subsidiaries (collectively, the 'Group') for the year ended March 31, 2026. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's shares are listed on BSE Limited in India. The registered office of the company is located at 133, TSIC Industrial Estate, Medchal-500401, Medchal Malkajgiri Dist, Telangana. A group is called a parent and its subsidiaries."

b) Basis of preparation of Consolidated Financials Statements

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards ('Ind AS'), under the historical cost except for certain financial instruments which are measured at fair values at the end of each reporting period as explained in the accounting policies below, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter and presentation requirements of Division II of Schedule III to the Companies Act, 2013

These Consolidated financial statements have been prepared on accrual and Going concern basis. The Accounting policies are applied consistently to all the periods presented. Certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments). The standalone financial statements are presented in INR (Rupees in Lakhs)

c) Basis of Consolidation

Control over an entity is achieved when when the investing entity is exposed or has rights, to variable returns from its involvement with investee entity and has the ability to affect those returns through its power over investee entity

IND AS 110 requires an entity that is parent should prepare consolidated financial statements. For an investing entity to be treated as parent and investee entity to be treated as subsidiary, if investing entity has all the following three elements

Power over the investee

Exposure or has rights, to variable returns from the investee

The ability use it's power over the investee to effect it's returns.

Sampre Nutritions Holding Limited	UK	Subsidiary	100

Consolidation Procedure

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- Eliminate the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

Business combinations policy explains how to account for any related goodwill.

- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.
- Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests.
- When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

2A Significant Accounting Policies

- Property, Plant and Equipment & Depreciation

i) Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.

Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant part of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognised from financial statement, either on disposal or when no economic benefits are expected from its use or disposal. The gain or loss arising from disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment recognised in the statement of profit and loss account in the year of occurrence.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

iii) Depreciation

Depreciation amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on assets has been provided on Straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions / deductions is calculated pro-rata from / to the month of additions / deductions.

Assets costing less than INR 5,000/- are depreciated at 100% in the year of acquisition.

f) Revenue recognition

Revenue from contracts with customers is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. When a performance obligation is satisfied, the revenue is measured at the transaction price which is consideration received or receivable, net of returns and allowances, trade discounts and volume rebates after taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company derives revenues primarily from manufacture and sale of "Sugar Candies".

Interest income: Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

g) Inventories

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost, calculated on weighted average basis, and net realizable value. Cost of raw materials and stores comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Items held for use in the production of inventory are not written below cost if the finished product in which these will be incorporated are expected to be sold at or above cost.

h) Foreign Currencies

Functional currency: The functional currency of the Company is the Indian rupee.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

i) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

j) Impairment of Assets

Non Financial Assets : The carrying value of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve for that asset.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

Financial assets: The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

k) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the Financial Statements.

l) Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(a) Financial assets

Cash and cash equivalents For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade Receivables and Loans: Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments: Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Equity Instruments: All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

(b) Financial assets– Subsequent measurement

Financial assets at amortised cost: Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(c) Financial liabilities

Loans and borrowings: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost on accrual basis.

Financial guarantee contracts: Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

(d) Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, carrying amounts approximate the fair value due to the short maturity of these instruments.

(e) Derecognition

The Company de-recognizes a financial assets when the contractual rights to the cash flows from the financial asset expires or it transfers the financial assets and the transfer qualifies for derecognition

under Indian Accounting Standard 109 “Financial Instruments”. A financial liability (or a part of financial liability) is de-recognised from the Company’s balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(f) Offsetting of financial instruments

Financial assets and financial liabilities are offsetted and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

m) Earnings Per Share

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2B Critical accounting judgments and key sources of estimation uncertainty

- a** The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Although these estimates are based upon management’s best knowledge of current events, actual results may differ from these estimates under different assumptions and conditions.
- b** The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.
- c Critical Judgements** In the process of applying the Company’s accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:
- d Key sources of estimation uncertainty :** The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:
- e Key sources of estimation uncertainty :** The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:
- f Income taxes:** The Company’s tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.
- g Operating Cycle and Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division-II of Schedule III of the Companies Act, 2013.

An asset is treated as current when (a) It is expected to be realised or intended to be sold or consumed in normal operating cycle; (b) It is held primarily for the purpose of trading; or (c) It is expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3 Recent Accounting Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Ind AS 21 - The Effects of Changes in Foreign Exchange Rates: In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements. In August 2025, MCA notified the following amendments to:

- a** Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- b** Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
- c** Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements

36.2 Financial risk management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Market risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates and changes in interest rates. There have been no changes to the Company's exposure to market risk or the manner in which it manages and measures the risk in recent past.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings and bank deposits.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates is limited as the Company has only fixed deposit with bank.

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's Financial Liabilities. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

b. Credit risk

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

In many cases an appropriate advance or letter of credit / bank guarantee is taken from the customers to cover the risk. In other cases credit limit is granted to customer after assessing the credit worthiness based on the information supplied by credit rating agencies, publicly available financial information or its own past trading records and trends.

At March 31, 2024, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c. Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities for the Company. The Company has established an appropriate liquidity risk management framework for its short-term, medium term and long-term funding requirement.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	Carrying Value	Less than 1year	1-5 years	> 5 years

Trade and other payables	456.26	456.26	-	-
Other financial liabilities	233.43	233.43	-	-

37. Fair Value measurement

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

A. Financial instruments by category

The carrying value and fair value of financial instruments by categories as at March 31, 2026 were as follows:
